DEALER PROGRAM OVERVIEW

More Than Coverage. A Better Dealer Experience.

Meaningful protection without complicating the sale

1

ADDITIONAL REVENUE

Add a profitable protection option to qualifying cart sales.

2

CUSTOMER CONFIDENCE

Help buyers protect their investment and purchase with greater peace of mind.

3

COMPETITIVE DIFFERENTIATION

Give customers another reason to choose your dealership.

4

FLEXIBLE PROGRAM OPTIONS

Support eligible new, refurbished, customized, electric, and gas carts, subject to program requirements.

5

DEALER SUPPORT

Receive help with onboarding, program questions, enrollment administration, and claims coordination.

6

SERVICE COORDINATION

EWG helps coordinate approved covered repairs with eligible service providers.

Current pricing and detailed eligibility requirements are maintained separately in the EWG Dealer Rate Sheet and the applicable EWG Limited Warranty Agreement.

DEALER PROGRAM OVERVIEW

Protection Options for the Carts You Sell

Programs for different carts, customers, and ownership needs

Refurbished Golf Cart Protection

For eligible inspected refurbished carts. Coverage generally begins on the agreement effective date.

New Golf Cart Protection

For eligible new carts. Coverage generally begins with the vehicle/program sale date and may provide benefits not supplied by the manufacturer.

New-Cart Extended Coverage

For eligible new carts. Coverage begins after the applicable manufacturer warranty expires.

Lifetime Lithium Battery & Key Protection

A separate program for eligible new electric vehicles with a qualifying lithium battery. Its agreement controls eligibility, timing, limits, and claim terms.

Coverage, eligibility, limits, exclusions, and benefits vary by program. The applicable EWG Limited Warranty Agreement controls.

DEALER PROGRAM OVERVIEW

Simple to Start. Supported After the Sale.

A clear path from setup through customer support

1

Become an authorized dealer

Complete dealer setup and receive current program materials.

2

Train your team

Review eligibility, presentation, enrollment, and claim requirements.

3

Offer the right protection

Match eligible customers and carts with the appropriate EWG program.

4

Complete enrollment

Enter accurate customer, vehicle, program, and contact information; retain confirmation and agreement records.

Claims & service coordination

Report a potentially covered breakdown to EWG within 48 hours of identifying the failure. Contact EWG and obtain authorization before beginning diagnosis, repair, replacement, or other work represented as covered.
